Lane closures scheduled for area bridges

Bridges to remain open to traffic

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Regional Office in Green Bay is announcing lane restrictions on bridges in Manitowoc, Sheboygan, and Winnebago counties on Monday, September 18 and Wednesday, September 20. The bridges will remain open to traffic while crews perform inspections on the bridges. Motorists should watch for backups and are reminded to remain alert and use caution when traveling through work zones.

The closure schedule is:

Manitowoc County

WIS 42 in Manitowoc. The WIS 42 eastbound and westbound bridges over the Manitowoc River will have lane closures on Monday, September 18 from 8 a.m. to approximately 10 a.m.

Sheboygan County

WIS 28 in Sheboygan Falls. The WIS 28 bridge over the Onion River will be reduced to one lane of traffic controlled by flaggers on Monday, September 18 from 11 a.m. to approximately noon.

WIS 23 in Plymouth. The WIS 23 bridge spanning the Mullet River will have lane closures on Monday, September 18 from 1 p.m. to approximately 3 p.m.

Winnebago County

WIS 21 in Omro. The WIS 21 bridge crossing the Fox River will be reduced to one lane of traffic controlled by flaggers on Wednesday, September 20 from 1 p.m. to approximately 3 p.m.
